

Major Changes to the Task Force Report Since the June 2 Task Force Meeting
Prepared for the June 16 Task Force Meeting

1. An executive summary has been added.
2. Text boxes on home remedies and lead-based paint have been added to the Task Force approach section and text reflecting concerns about the Task Force charter has been added.
3. Text on the risks associated with high concentrations of arsenic and lead has been moved to an appendix.
4. The tier 2 maps have been moved to an appendix, their titles revised, and the mapping text and flowchart revised as discussed at the June 2 meeting.
5. The summary table on ratings of protective measures and the description of the rating methodology have been removed; ratings for each protective measure remain in an appendix.
6. A text box on real estate disclosure has been added to the residential property section, using text that was in body of the report.
7. The description of “fallow” in the open land section has been changed to reflect perennial crops.
8. The text on plat notices and the text box on large construction sites in the open land section have been revised as discussed at the June 2 meeting.
9. The text on ecological risks has been revised and moved to the section on additional information needed as discussed at the June 2 meeting.
10. The text on root vegetables has been added.
11. Text on MTCA has been revised to reflect the MTCA group discussions on June 9.
12. The text on cost and funding has been revised as discussed at the June 2 meeting and the cost estimates have been moved to an appendix.
